RE: SECOND COLLECTION

Monsignori/Fathers:

In our clergy meeting last February 21, 2003, the Diocesan Finance Committee requested all parishes to conduct a second collection in all Sunday Masses for the whole month of March 2003. This is to help build the financial resources of our new diocese.

I urge you, therefore, to implement this plan so as to make our parishioners aware how much the diocese needs their support.

Sincerely yours,
