

***Pulsuhan***  
**Circular 2005-19**

**To: All Parish Priests**

On July 9, 2005, we had our Diocesan consultations or *Pulsuhan* with the objective of listening to the urban poor especially the “unchurched” on what they feel about the national situation. However, the attendees of that consultation were predominantly church people. So, there’s really a need to pursue this activity in order to get the pulse of the “unchurched” urban poor. Hopefully, this *Pulsuhan* will also facilitate the mainstreaming of the urban poor to the Church and the designing a development program with them.

We conduct this consultation in the areas. The Pastoral Office of the Diocese is tasked to take charge of the preparation and facilitation.

Attached is the copy of the schedule of the *Pulsuhan* from August to October 2005. If in the area there’s no available space to accommodate a big group, we need your assistance by allowing the use of your parish church.

You and your parish leaders are cordially invited to this activity. Though we won’t participate in the discussion, our presence means a lot to our solidarity with them.

Thank you and God bless you and your ministry

Given in the Chancery in Fairview, Quezon City, this 2<sup>nd</sup> day of September, in the Year of the Lord, 2005.
