

**General Transfer
Circular 2005-24**

To: All the Parish Priests

As presented and agreed upon in the clergy meeting of 24-25 October 2005 at OMI Center, the process of the general transfer of assignments among diocesan clergy to commence on January 2007 will include consultation with parish leaders and willing parishioners by the members of the personnel board. Aside from the data obtained through survey forms already accomplished by the clergy, the participation of the parishioners who will be affected by the transfer is deemed integral. Their opinions and comments will be gathered through the following questions shared in small groups:

- (1) What are the current needs of the parish?
- (2) What are your proposed programs and activities to respond to these needs?
- (3) Other pertinent issues and observations about the parish you deem significant to consider prior to the transfer of clergy assignment?

Schedule of consultation is as follows:

November 2005 - January 2006	Our Lady of Mercy & San Bartolome Vicariates
February - March 2006	Ascension, Sto. Niño & Lourdes Vicariates
April - May 2006	Good Shepherd & St. Peter Vicariates
June -July 2006	Christ the King & San Isidro Labrador Vicariates

Upon proper coordination, notice will be sent in advance for the particular schedule of each parish. It is requested that the vicar forane, instead of the parish priest, observes the process of the consultation on parishes within his vicariate.

Attached herewith is the proposed announcement to be read during masses of the particular parish at least two weeks before the scheduled consultation.

Thank you so much and God bless our efforts for constant renewal.

Given in the Chancery in Fairview, Quezon City, this 28th day of October, in the Year of Our Lord, 2005.

Mga Minamahal na Kapatid kay Kristo:

Kapayapaan.

Sa taong 2007 ay gaganapin ang unang lipatan ng lahat ng diyosesanong kura paroko. Kung kaya't ngayon pa lamang ay nagdaraos na ng mga konsultasyon. Ang Personnel Board ng Diyosesis na binubuo ng limang kaparian ang siyang inatasan kong maglikom ng mga data bilang gabay sa akin sa pagtatalaga ng kura paroko sa bawat parokya. Malaking bahagi sa aking pagkilatis ang inyong mga opinyon at palagay hinggil sa pangangailangan at kalagayan ng inyong parokya

Kung kaya't sa ika-_____ ng _____, sa ganap na _____ ay gaganapin sa inyong parokya ang nasabing konsultasyon. Lahat ng mga naglilingkod sa simbahan at lahat ng nais makiisa ay inaanyayahang dumalo.

Inaasahan ko po ang ating pagtutulungan sa mga ganitong gawain.

Pagpalain kayo at ang inyong mahal sa buhay.

Kay Krsito,

Most Rev. Antonio R. Tobias, DD
