

**Youth Ministry Parish Visitation
Circular 2006-09**

To: All Parish Priests, Parish Youth Ministry Coordinators, and Youth Chaplains

The Pastoral Team of our Diocesan Parish Youth Ministry will visit the parishes in the Diocese of Novaliches from May to August, 2006. The series of new parish visitations aims to:

1. Provide youth ministers and leaders in the parishes the chance to be with their fellow youth ministers and leaders in the Diocese and vicariates that they may be able to feel that they are an invaluable part of the Youth Ministry;
2. Assist the youth in the parishes in organizing themselves by educating them the basic essentials in doing Youth Ministry that they may be able to build and maintain active parish youth ministries;
3. Identify the needs and concerns of the ministry, its leaders and members in the parish and vicariate levels;
4. Present the program of the Diocesan Parish Youth Ministry for the young people;

I enjoin everyone involved in the pastoral care for the young people to take this opportunity as we strengthen the ministry and show our love and care for our youth in the parishes. While each parish youth ministry may opt to choose its own schedule, The Pastoral Team prefers to meet each group on weekends. You may get in touch with Mr. DARRYL CUNTAPAY for your schedule through 461.5074, or with Mr. JULY PANDAY and Mr. MAR SILVANO at 461.5051.

Given in the Chancery in Fairview, Quezon City, this 17th day of April, in the Year of Our Lord, 2006.

Most Rev. Antonio R. Tobias, DD
