

**CBCP Monitor Subscription
Circular 2006-11**

To: All Parish Priests of the Diocese

The CBCP Permanent Council on its regular meeting of March 10, 2006 has decided to continue the publication of the CBCP Monitor. According to a study made by the CBCP Media Office, the CBCP Monitor will easily be sustained if every ecclesiastical jurisdiction will subscribe a minimum of thirty-five (35) subscriptions per annum. There are fifty five (55) parishes in the Diocese of Novaliches and the Domestic Rate of CBCP Monitor for one (1) year is Php 400 and for two (2) years Php 750. In order to help our only Catholic weekly in the Country, may I please suggest to the Reverend Parish Priests that each of our parishes subscribe for two years with an annual subscription of Php 750 and may charge their subscription to their parish, if they cannot find a sponsor for the first subscription from among its own parishioners. Kindly discuss this matter in your Vicarial Meetings and I ask the Vicar Foranes to submit a report of your deliberations to the Chancery as well as a list of those parishes who want to subscribe.

Thank you for your cooperation.

Given in the Chancery in Fairview, Quezon City, this 5th day of May, in the Year of Our Lord, 2006.

Most Rev. Antonio R. Tobias, DD
Bishop

Attested by:

Rev. Fr. Jaime Z. Lara
Chancellor
