

**Schedule of Clergy Gatherings
Circular 2007-09**

To: All Parish Priests and the Clergy of Novaliches

Attached herewith is our Schedule of Clergy Gatherings for the period of March 2007 until February 2008 as approved by the Clergy during our last meeting. Note that, as unanimously agreed upon during same meeting, new appointments regarding the general transfer will be distributed in a special gathering in an atmosphere of prayer on April 5, right after the Chrism Mass.

Make sure that you calendar the indicated dates in your appointment books and post the attached sheet to where you can refer to regularly. Instruct your parish secretary to do the same so that no appointment in your respective parish may be scheduled for you. Any excuse not to attend any of these activities will have to be addressed personally to me alone.

I hope that we understand each other regarding this matter for I consider these activities essential to our continuing formation and further strengthening of our fraternity.

Also, recognizing our vulnerability to be succumbed to all sorts of physical affliction due to age and work stress, each of you is to undergo annual executive medical check-up before you assume your new parish assignment, especially for those nearing and above 40 years old. The check-up usually starts in the afternoon until lunch of the following day. You may go to Cardinal Santos Hospital or San Juan de Dios Hospital. Make an appointment ahead of time.
