

Dress Code in Church
Circular 2007-24

To: All Parish Priests – Diocesan and Religious - in the Diocese

The Ministry for Liturgical Affairs of the Archdiocese of Manila in response to many requests has recently issued last June 19, 2007 Guidelines on the Proper Attire in Church for the people.

In our Diocese we observe the same phenomenon: the increasing number of people who came to Church to attend Mass or other liturgical functions garbed in a way that disrespects the sanctity of the House of God and the sacredness of the liturgical celebration.

With permission of the Archbishop of Manila His Eminence Gaudencio B. Cardinal Rosales, I adopt as ours in the Diocese of Novaliches Circular 2007-23 of the Ministry of Liturgical Affairs of Manila as well as its accompanying poster.

May I request you or your secretary, therefore, to get your copy (for the main church and chapels) of the Poster from the Chancery and thereafter, to post them at areas that can be readily and easily viewed by people who go to church.

Thank you for your kind cooperation!

Given in the Chancery in Fairview, Quezon City, this 12th day of September in the Year of Our Lord, 2007.

Most Rev. Antonio R. Tobias, DD
Bishop

Rev. Fr. Jaime Z. Lara
