

**Summer Institute of Spirituality
Circular 2008-19**

To: All Parish Priests, Principals of Diocesan and Congregational Schools, as well as all Local Religious Superiors, Men and Women

The NDV School of Spirituality used to offer yearly sessions of the Summer Institute of Spirituality from 1976 to 1986 and irregularly from then on until 2000 when it stopped altogether. This year it has announced the re-launching of its opening session from May 4 to 23, 2009 at the NDV Center of Solitude for Asia in Brgy. Encanto, Angat, Bulacan.

The new program is a synthesis of prayer and apostolate based on Sacred Scriptures and Church Doctrine, as lived and taught by the great masters of Carmelite Spirituality. It is intended to nourish a deep sense of Christ and of the Holy Spirit's role in one's personal life and in the life and mission of the Church. This program is designed specifically for formators, that is, pastors, seminary and religious formators, as well as those involved in the work of lay formation in parishes and dioceses. It is meant to address a real need in the Church today.

To those interested who would most likely profit from this Program can get their application form from the Chancery.

Given in the Chancery in Fairview, Quezon City, this 10th day of October in the Year of Our Lord, 2008.

Most Rev. Antonio R. Tobias, DD
Bishop
