

**Lot for Sale**  
**Circular 2014-21**

**To: All Interested Religious Congregations in the Diocese**

For all interested Religious Congregations who are looking for a lot to put up their Mission House or their Formation House in Metro Manila, there is a 2,500 sq.m. lot being put on sale in Kiko, Camarin, Caloocan City, personally owned by Sr. Evangeline S. Africa of the La Salle Sisters. Those interested may contact her at this CP No. 09228095253 and ask for further details.

In case the said lot seems too big for your use, several Religious Congregations may divide the lot into half or a quarter of its size. I asked the owner to give a preference in favor of Religious Congregations rather than others to avoid other sects or denominations interested from acquiring the lot.

The Diocese shows no interest in acquiring this lot because of our impending construction of Kristong Hari Church–Shrine for the Youth along Commonwealth Avenue. In case anybody of the Religious Congregations is interested to acquire the lot, our Properties Department headed by Fr. Marlou Lemaire, our Oeconomo, in coordination with RCAM would be willing to help facilitate the sale to protect your interest as well.

Thank you so much for the kind attention.

Given in the Chancery in Fairview, Quezon City, 3 October 2014.
