

**COA's Contribution for the 747 Campaign  
Circular 2015-11**

**To: All Mass goers of Holy Trinity Chapel of the Commission on Audit**

Peace of Christ.

Allow me to express my gratitude for your continued support to our diocesan project, the Construction of Kristong Hari Church.

As of date, COA's donation for the 747 Campaign alone for our church construction, now reaches PhP 1,286,044.80 million pesos. This means that you are seven hundred thousand pesos, more or less, close to your commitment of 2 million pesos.

As COA is under the jurisdiction of Kristong Hari, it is my hope that you continue to support our diocesan undertaking of constructing the future Shrine of the Youth. Please do not consider requests from other parishes so you concentrate on Kristong Hari Construction Project.

Thank you for the kind attention!

Given in the Chancery in Fairview, Quezon City, 15 July 2015.
