

**Concert for Kristong Hari  
Circular 2015-22**

**To: All the Parish Priests in the Diocese of Novaliches**

First and foremost, allow me to express my deepest gratitude to you, my brothers and sisters in the Lord, for your patient and relentless support to our diocesan project: the construction of Kristong Hari Shrine of the Youth. Your prayers, coupled with concrete initiatives in mustering the support of the entire Diocese to our common church project, have been a great source of consolation for me and the people directly helping me make the said project possible.

For a quick update on our project, please allow me to share with you that last Saturday, October 3, 2015, we already had the signing and sealing of all the engineering and architectural plans and blue prints which would enable us to finally secure a building permit from Quezon City government. Also on the same day, we signed the Deed of Absolute Sale of our Kristong Hari lot. We have also organized our Project Management Team to complement our Construction Management Team. This goes without saying that we are now preparing the technicalities attendant to a formal bidding process on our project.

On the crucial question of funding, please be informed that as of date our combined efforts have so far raised more or less 54M. As I presented to you during one of our Clergy meetings, the Chancery has reserved 50M for the project. I have sold my house in North Fairview at 20M, half of it goes to Kristong Hari as the other half goes to our Bahay Pari. St. Peter Parish of Fr. Marlou Lemaire has set aside 15M for KHP. All these available funds combined plus the two major concerts this year and the ongoing local fund raising initiatives of Kristong Hari Parish, it is my hope, God willing of course, that we start actual construction with 150M in cash.

I would like to appeal for your continued support and prayers even as I beg for your kind understanding if this project has caused extra burdens on your parishes, congregations and/or organizations.

As has been constantly announced and included in our monthly project updates, Ms. Ai-ai de las Alas is organizing a fund raising concert for Kristong Hari on November 23, 2015 at Mall of Asia Arena. Our very own Rev. Fr. Allan Samonte is our link to Ms. de las Alas. I have attended one of their production meetings, and I am pleased with their enthusiasm to help us build the church for the youth in our Diocese. Please see attached poster on the concert.

In this light, may I beg you to support the said fund raising concert organized by Ms. Ai-ai and her foundation? To rationalize the distribution of tickets, please see attached table which takes into consideration the income category of our parishes. May I request that these tickets are considered sold? Just in case, for some reasons, you are not able to sell all the tickets assigned to you, please charge it to your parish fund.

For inquiries on the concert tickets, please contact the Parish Priest of Kristong Hari, Fr. Roland P. Jaluag: 09178322630 or 427-8367.

Given in the Chancery in Fairview, Quezon City, 6 October 2015.
