

Paghahawan 2016 and CCFI Retreat and Recollection
Circular 2015-23

To: All the Parish Priests in the Diocese of Novaliches

The Claretian Communications Foundation, Inc. (CCFI) has offered us the Bible Diary 2016. Because of so many diaries we receive before and sometimes several months after the New Year has begun, we recommend at least our own *Paghahawan* to serve as diary but most of all as a tool for reflections in the home as well as for the weekly prayer meetings of our BEC groups in the Diocese.

However CCFI has offered its services for Retreats and Recollections as well as for Seminars which those who plan updating for the Clergy and for our employees in the Chancery, Schools, and Parishes of the Diocese would be helpful. I am circulating this for those interested but especially for those who organize seminars. CCFI offers seminars on topics such as:

1. Living Your Strengths
2. The ABCD of Planning for Sustainability
3. 7-Self Mastery Skills to improve one's performance in the Workplace
4. Understanding Whole Brain Theory and its relevance to the Work Place

Those interested may contact the above office at Tel. No. (02) 921.3984.

Given in the Chancery in Fairview, Quezon City, 7 October 2015.
