Circular 2017-04

My Dear People of God in Novaliches: The Clergy, The Religious, The Lay Faithful

The *Pondo ng Pinoy* (PnP) is a legacy bequeathed to the Nation by His Eminence Gaudencio Card. Rosales, Lolo Dencie! The intrinsic value of PnP is to create the habit of helping the poor by the frequent and repeated little acts of charity. If children start this habit now are trained to this habit from their earliest formative years, we would not ever loose the *bayanihan* spirit. I urge then all Parish Priests and Principals of schools in the Diocese, Diocesan or Parochial and Congregational, Public Elementary and High Schools as well as Private Non-Sectarian Schools and Colleges to encourage our students to this habit. My Dear Faithful, let us go back to supporting *Pondo ng Pinoy*!

By giving to the *Pondo ng Pinoy*, we are able to help many worthy projects like scholarship, *Hapag-Asa* Feeding that help the poor. By giving to the *Balik-Handog* Program, we support the parishes of the Diocese. By being generous to *Kristong Hari* Parish, we can have a big Church of Worship worthy to be our Shrine for our Youth. Let us give our PnP as well as our *Balik-Handog* Support to the Church during the offering at Mass on Sundays.

Allow me to thank the Faithful for your generosity to *Pondo ng Pinoy*, to the *Balik-Handog* as our Church Support as well as to your second collections for *Kristong Hari* Construction.

Given in the Chancery in Fairview, Quezon City, 4 May 2017.

Bishop
