

**Quinquennial Report to Prepare for the
Ad Limina Visit of 16-23 May 2019.
Circular 2018-15**

To: All Curia and Presbyteral Council Members and Heads of Ministries under the three Cluster Commissions in the Diocese

Next year 2019 is my scheduled Ad Limina Visit to Pope Francis in Rome, 16-23 May to be exact. So now this early, we have to prepare our Diocesan Quinquennial Report from 2011-2017, seven years because of the change of Popes from Benedict XVI to Francis in 2013. This is my second and the last before I leave the Diocese. Our first Ad Limina as Bishop of Novaliches was 25 November to 6 December 2010.

The preparation of the Quinquennial Report as in the first is participatory as I have always done in my former dioceses in Pagadian and in San Fernando, La Union. I am therefore calling all those in the enclosed Pastoral Directory to meet with me on 24 July 2018 at the Obispado de Novaliches Conference Room at 9:00AM to divide the work according to the enclosed Index and Preliminary Observations and set deadlines for the submission of the different Chapters of the Report according to your assigned Diocesan Ministry and your personal interest as well.

So let us sit down together to plan our common task.

Given in the Chancery in Fairview, Quezon City, 14 July 2018.

Most Rev. Antonio R. Tobias, DD
Bishop
