

**Blessing of Church Columns
Circular 2018-21**

To Our Dear Construction Mission Partners

Thank you for your continued support to our Diocesan Project, The *Kristong Hari* Church, the future Shrine of the Youth.

After our “First Mass” last June 30, 2018, our construction has been going on smoothly and efficiently especially with the entry of our new Contractor, the DDT Konstruct, Inc. of Engr. Danilo and Cynthia Tamayo.

It is heartwarming to see our church columns already visible from Commonwealth Avenue. Did you know that we can already walk the whole span of our church floor area as it is already poured with concrete? I can't wait to see more than 2000 people easily accommodated given the size of our church. Anytime soon, offices will be constructed at the new church area paving the way to the demolition of old structures hindering the full view of our church project.

Indeed, we cannot thank The Triune God enough for giving us the strength to continue supporting and helping one another with this mission of building HIS CHURCH!

As the solemn feast of Christ The King is fast approaching, I deemed it worthy that we honor His Most Holy Name by gathering again as mission partners and church builders. In this regard, allow me to invite you to the following:

What: BLESSING OF The 36 COLUMNS
When: 25 November 2018, Sunday (*Solemnity of Christ the King*)
9:30 AM (*Pontifical Fiesta Mass*)
Where: Kristong Hari Parish
Commonwealth Avenue, Quezon City

Please see herewith some photos on the development of our project. And just in case, you wish to share your blessings to our church project, please feel free to use the *PASASALAMAT KAY KRISTONG HARI* envelope I have enclosed herewith.

If you have questions, please feel free to contact Fr. Roland P. Jaluag (09178322630), (09373725654).

Given in the Chancery in Fairview, Quezon City, 11 October 2018.

Most Rev. Antonio R. Tobias, DD
Bishop

Attested by:

Rev. Fr. Reynaldo Percival S. Flores
Chancellor
